About Us

The mission of the Arts Council of Pointe Coupee, as a community multi-arts organization, is to involve children and adults in professional instruction, performances, exhibitions, and other art experiences designed to develop skills and appreciation and to provide enjoyment.

Our members are the backbone of The Arts Council's support system. These individuals, families, and corporations significantly impact the quality and quantity of the arts programs that are presented to our community.

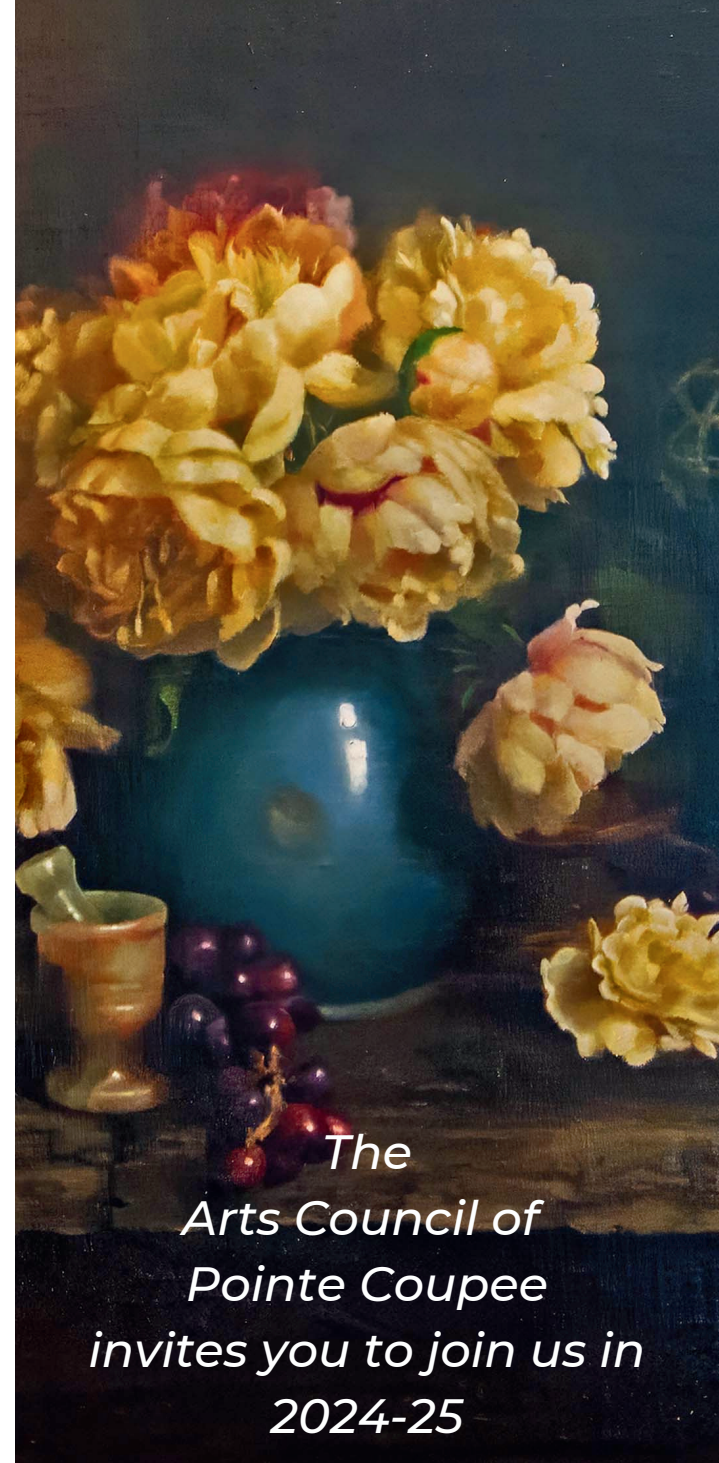

We Need You

The Arts Council of Pointe Coupee is seeking community support for the work our organization provides in our parish that includes student outreach, artist initiatives, and the performing arts.

Your support is greatly appreciated as we continue to build on the success of the previous Arts Council of Pointe Coupee events and community programs.

ACPC is a registered 501c(3) non-profit organization.
